34 lessons will be provided each academic year (but please note sections 6 and 6a of "Terms and Conditions"). However, your initial commitment is only for six lessons or to the end of the term in which your child starts whichever is the greater. Payment for lessons may be made by **one** of two methods, either

1 by **monthly standing order payments** spreading the cost of lessons equally throughout 12 months of the year:

group of 4	30 mins	£24.00	(£8.47 per lesson)
group of 2	25 mins	£31.70	(£11.19 per lesson)
individual	15 mins	£33.75	(£11.91 per lesson)
individual	20 mins	£40.10	(£14.15 per lesson)
individual	25 mins	£46.50	(£16.41 per lesson)
individual	30 mins	£52.85	(£18.65 per lesson)

If you choose to pay by method 1 please send a cheque equal to the first month's payment with your completed standing order form and standing order payments will begin in the second month of tuition. Lessons will not start until the first month's payment and the completed standing order form have been received.

or

2 by **cheque** in advance for each term's lessons

If you choose to pay by method 2 please send a cheque equal to the cost of six lessons with your application form. Lessons will not start until this cheque is received. We will then send you an invoice for any remaining lessons in the term in which your child starts. If less than six lessons remain in that term your invoice for the next term will be adjusted to take account of this. After that you will be invoiced at the beginning of each term.

Please note that monthly payments (method 1) may only be made by standing order. Monthly payments by cheque cannot be accepted.
